including use of powerful electronic media to spread health messages to increase Public Health awareness about diabetes.

Integrated National Drug Policy

† 2161. SHRI B ALKAVI BAIRAGI: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether it is a fact that Government are spending only one per cent of total budget on health services;

(b) if so, whether Government are considering to spend ten per cent of the budget on health services;

(c) whether various organizations of doctors have urged the Government to formulate perspective integrated National Drug Policy so as to ensure safe as well as cheap medicines to patients; and

(d) if so, the details thereof?

THE MINISTER OF HEALTH AND FAMILY WELFARE (DR. C.P. THAKUR): (a) and (b) Central Government has been spending about 1.3% of the total budget on health care services. The Central Government has been making every efforts to increase its contribution to the public health expenditure. The resources lor public investment in health sector are also being augmented by securing assistance from various bi-lateral and multi-lateral agencies for implementation of various disease control programmes. Health infrastructure in certain States has also been upgraded with World Bank assistance.

The draft National Health Policy, 2001 envisages increasing the Central and State Governments' contribution from the existing 15 percent and 5.5 percent to 25 per cent and 8 per cent respectively of the total spending in the health sector by 2010.

(c) and (d) The main objectives of the present Drug Policy, as modified in September, 1994, *inter-alia,* include ensuring abundant availability at reasonable prices of essential and life saving and prophylactic medicines of good quality.

Review of PHCs

2162. SHRI P. N. SIVA: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether Government have reviewed the functioning of the Primary Health Centres recently in the country in order to achieve the goal of health for all;

---

†Original notice of the question was received in Hindi.

(b) if so, the number out of them, which are well-equipped;

(c) the number of PHCs opened in the country during the last three years and proposed to be opened during the current financial year, State-wise;

(d) whether Government propose to upgrade more PHCs, Community Health Centres to Hospital Status;

(e) if so, whether Government propose to allocate adequate funds for the purpose; and

(f) if so, the details thereof, State-wise?

THE MINISTER OF HEALTH AND FAMILY WELFARE (DR. C.P. THAKUR): (a) and (b) Government have conducted a Facility Survey to assess the availability of the infrastructure facilities and their utilization, at all primary health centres, community health centres, first referral units and district hospitals, in the selected districts. The Facility Survey covered about 217 districts. The important findings revealed by the survey, in respect of Primary Health Centres is given in Statement-I *(See* below)

(c) The number of PHCs opened in the country during the last three years and proposed to be opened during the current year are indicated in the Statement-II *(See below)*

(d) Government had advised the State Governments to set up Community Health Centres/Hospitals by upgrading 25 per cent of Primary Health Centres. While selecting the location of the upgraded PHC/CHC only those areas should be selected which have no referral facilities within reasonable distance. Preference should be given to the areas located farthest from the district headquarters and in hilly & tribal areas.

(e) and (f) Government of India supports several components of the primary health care system e.g. funds are released to States/UTs, under Primary Health Sector of Pradhan Mantris Gramodaya Yojana (PGMY) for strengthening, repair and maintenance of infrastructure and for procuring drugs and consumable in Sub-Centres, PHCs,- CHCs. External aid is also provided under Area Development Projects for strengthening of the health infrastructure, which includes construction of buildings, supply of equipments etc, for Sub-Centres, PHCs and CHCs. However, State Governments must established the PHCs, Sub-Centres etc.

Statement -I
